## HYER'S 2020-21 REPORT CARD IS NOW AVAILABLE

The [State of Texas 2020-2021 School Report Card for Hyer Elementary](#) is now available. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR®), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the [2020-2021 School Report Card Definitions](#). The report for our school may or may not have all the information described because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the School Report Card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socioeconomic status of the students and must include at least two years of results.

The School Report Cards can be found online at the [Texas Education Agency](#) website.

Please contact your campus principal if you have any questions concerning this report card. Thank you for your continued support.

### SAVE THE DATE! HYER GRANDFRIENDS DAY IS MARCH 4!

Grandparents and/or special friends are encouraged to visit Hyer to learn about their student's educational activities. Guests should enter through the front entrance and sign in. To help with crowding and parking, parents **should not** plan to attend unless their student does not have a Grandfriend able to attend.

Also, please note that there will be **no parking on Caruth**. The Caruth carpool lane will only be used for valet during Grandfriends activities. Click [HERE](#) for an invitation to forward to your Grandfriend!

**If your Grandfriend lives in town or arrives early, we encourage them to stop by and preregister in the front office. This will help with crowd flow on March 4. Thank you!**
