FAMILY UNDERWRITING OPPORTUNITIES

2026  2027

DEAR HYER FAMILIES,

As we jump aboard and sail into a new school year, it's time to kick off our annual Hyer Family Underwriting Campaign. This initiative is one of the most impactful ways we can collectively support our school, ensuring Hyer continues to thrive.

Did you know? Each year, more than 70% of HPISD's property tax revenue is taken by the state through a process called recapture. While this system aims to support districts in need, it leaves ours facing a shortfall of \$7-8 million annually.

To bridge this gap and preserve the high-quality education and opportunities our children deserve, we rely on private donations. That's where you come in!

This year, we've set a goal of **\$800,000** to sustain the critical, ongoing needs of our school - things like staffing, programs, and everyday operations. Any funds raised beyond this will go toward special initiatives like curriculum enhancements, classroom tools, and campus upgrades. Best of all, every dollar donated goes directly to Hyer - and stays here.

We invite every Hyer household to be part of this effort. No matter the size, your gift makes a difference - and helps us uphold the tradition of excellence we've all come to cherish.

Thank you for being such an essential part of our community. We hope your summer is full of fun and family time, and we can't wait to welcome you back in August - *and drop anchor at Hyer Harbor!*

See you on deck!

Megan Conlon
PTA President

Kim Holly
Family Underwriting Chair
